Adaptable, effective listener and teammate, leader when necessary, efficient

work experience

Frameworks Studio & Gallery
Admin Coordinator/Framer | 2015 - present

Engaged with customers to identify framing solutions that matched preferences and budget, while assembling frames with attention to detail. Managed and curated social media content and maintained the website. Handled administrative tasks, including email communication, marketing, phone inquiries, and work order/invoice generation. Designed unique event cards for gallery openings and announcements, overseeing the entire print order process.

Franklin Fountain
Soda Jerk | 2022 - 2023

Offered a hospitable atmosphere while sharing insights about the shop's history, all while maintaining efficiency as a team in a high-traffic setting.

Lil Pop Shop
Counter Staff | 2018 - 2022

Interacted with patrons and offered recommendations from our seasonally rotating menu, while also contributing to the upkeep and tidiness of the shop.

ALMA Architecture
Design Intern | 2020 - 2022

Contributed to various operational facets encompassing email campaign creation, database management for manufacturers and clients, and promotional material development. Facilitated meetings between our firm and manufacturers and worked on architectural sketches, visual mockups, and pitch decks presented to clients.
